Draft Programmatic BA 2016-0307.pdf

Assume you all are looking at this = Silvina look at the RAOs. I assume you could almost do that in your sleep at this point.

thank you

Hi Robin, Any substantive comments you have on our 404 would be most appreciated (I believe you received this from Silvina)—it's best reviewed in conjunction with the draft final biological assessment, attached. I'm looking to get our internal 404 comments tomorrow so we can begin its incorporation into the FS appendix soon thereafter.

Thank you.
